Please also pray for all that are in need, materially and spiritually, those that have suffered and died at the hands of others, those that have been affected by recent natural disasters, all first responders, and all of our dear friends and neighbors that have asked for our prayerful support.

I wanted to thank all who prayed for his safety. If we can continue to pray for all our service men and women I would appreciate it as like anything in life, you do not fully understand a situation until you walk the path. We can remove his name from the weekly prayers for the military. I do pray he transitions back into civilian life seamlessly, and he will continue his career with schooling for Criminal Justice. Thank you again." (Editor's note: We...and I think I can speak for the entire parish...are so happy to hear of Tristan's safe return, we thank him...and your family...for his service, and we wish him well in his new endeavor!!! We have no doubt he will continue give his very best in whatever he chooses to do in this next chapter of his life!!! May God continue to watch over...and bless...our former Altar Server!!!)
