Eucharistic Ministers: None at this time

- Please remember in your prayers all the deceased of our parish and communities, all of our nursing home residents and those living alone, all those that are battling illness, along with their families and care givers, all of the brave and selfless men and women serving in the armed forces, their families and all of the innocent souls affected by war. Please also pray for all that are in need, materially and spiritually, those that have suffered and died at the hands of others, those that have been affected by recent natural disasters, all first responders, and all of our dear friends and neighbors that have asked for our prayerful support.
 - Please turn off all electronic devices before Mass begins. Thank you.
 - Dispensation has been granted to all people not feeling well, vulnerable or uncomfortable returning to Church at this time.
 - We offer our sincere condolences to our St. Lawrence friend, Dave Doglio, in the unexpected loss of his brother Dan last Saturday. Please know our thoughts and prayers are with you, and your family.
 - Second Collection next Sunday – Church in Latin America – “Next week we will take up the Collection for the Church in Latin America. For many in Latin America and the Caribbean, a rising secular culture, difficult rural terrain, and a shortage of ministers all present obstacles to practicing the faith. Your support for the collection provides lay leadership training, catechesis, priestly and religious formation, and other programs to share our Catholic faith with those who long to hear the Good News of Christ. To learn more about how your gifts make a difference, visit www.usccb.org/latin-america.”
 - A couple of things from parishioner Donna Gabehart... “Just wanted to thank everyone who participated in the Christmas card project, including our CCD kids, the MVK school classes, my Grandson's 3rd grade class in Coal City, and our parishioners. Also, thanks to Luri (always) and all of the teachers who helped get this done. We had enough for the Veterans homes in LaSalle and Manteno. We also took care of everyone at Park Point Assisted Living, The Gardens, and The Regency home in Morris. They all said how much they appreciated the cards and are hoping to be able to have visitations next year. Fingers crossed. Sadly, we didn't have enough for Dwight, but hoping we will next time. As usual, I read all of the handmade cards and they were great. All the hard work is greatly appreciated. “
- “The ER and ICU departments are once again full of patients. The doctors and nurses are under so much pressure and are exhausted. If anyone wants to drop off snacks for those departments or another one (they're all overworked right now), you can do so by dropping them off at the front desk in the ER or at the regular admission desk. I put them in separate bags and mark where you want them to go. I know they really appreciated it last time and they couldn't wait to see what was in the bags. I bought breakfast items, candy, brownies, cookies, chips and dip, oranges, etc. Just something to get them thru the day or night. If you want to donate and can't get there, just put it in my donation box with your name attached and I will drop it off next time I'm in town. Not a problem. Thanks for your help. You guys are the best! Have a safe and healthy New Year.”
- Thank you to all who stayed to help last Sunday with taking the Christmas decorations down and putting them away!!! As always...your help was greatly appreciated!!!
 - Wanting to keep up with news and/or announcements from the Diocese?! Visit www.dioceseofjoliet.org for the latest information and resources. Currently available...Bishop Hicks' January 2022 column entitled “A New Year's Resolution: Re-Educating Ourselves on the Eucharist.”
 - The Rectory is open. You may, however, want to call ahead (815-237-2230) to make sure the office is open the day, or during the hours you would like to stop by, just to save yourself an unproductive trip. FYI: Closed tomorrow, Jan. 17th.
 - We would like to welcome all new individuals, couples and families to Sacred Heart!!! If you haven't already done so, please contact Lin at 815-237-2230 for registration information and instructions. Thank you!
 - Word of Life – “There is such a wide spectrum of issues involving the protection of human life and the promotion of human dignity. Good people frequently disagree on which problems to address, which policies to adopt and how best to apply them. But for citizens and elected officials alike, the basic principle is simple: *We must begin with a commitment never to intentionally kill, or collude in the killings, of any innocent human life, no matter how broken, unformed, disabled or desperate that life may seem.* In other words, the choice of certain ways of acting is *always and radically incompatible* with the love of God and the dignity of the human person created in His image.” – United States Conference of Catholic Bishops – “Living the Gospel of Life,” © 1998 USCCB.
 - Stewardship – January 16, 2021 (2nd Sunday in Ordinary Time) - “In today's second reading, St. Paul tells the Corinthians (and us) that all of our gifts are from God and that they are given, not for ourselves alone, but for the common good. But the generosity of God knows no limits – the miracle at Cana reminds us that whenever we faithfully do as God asks, He can change our gifts of water into wine!”
