Seventeenth Sunday in Ordinary Time Weekend July 28/29, 2018 -The story of the multiplication of the loaves and the fishes is a familiar one, and has many lessons, not least of which is how our willingness to share who we are and what we have - exercising good stewardship - releases God's power and bountifulness on the world and its people. Do we realize that there is enough for all if we are willing to share? Are we aware that God is at work when we share our time, our money and our other resources in his name?
