#### Fruitful through DISCIPLINE—LIFE

No horse gets anywhere unless he is harnessed. No steam or gas ever drives anything until it is confined. No Niagara is ever turned into light and power until it is tunneled. *No life ever grows great until it is focused, dedicated, disciplined.*

**THOUGHT** for today—LIFE. When you were newborn, your godparents carried you to church; When you were married, your spouse escorted you to church; When you die, The pallbearers will carry you into church; So, please, once in a while, come on your own.

We had our LoveOutreach walk for Human Trafficking Awareness on the 28th and we had a great day. I received a letter from Senator Duckworth to read and Sara Dady and Heidi Henry walked with us and spoke at the courthouse. Sara is running for Congress and Heidi is running for the State Senate. Sara is an attorney from Rockford and she says they are number two in the state for trafficking and Illinois is number eight in the country. Heidi is a farmer from Marseilles and is also working to help eliminate this problem. We really appreciated the letter and the support of these two women who are trying to make a difference. Can't wait to work with them in the future. We had speakers from SelahFreedom and a new organization called Newname. There was also a survivor who spoke along with Esther. Monday night we were in Palos Hills and met a lot of great people including the group Bikers Against Child Abuse (BACA). We are going to work together in the future. I really appreciate any support anyone might have given us for this project. You know who you are and thank you so much. We raised almost \$1,600 and donations are still coming in. We will be having our first walk in Joliet on September 22nd. Please spread the word and God bless you all! Donna Gabehart
